

2. Manual Test Case Report: Travel Booking Platform

Project Title: Agile Travel Booking Solution

Focus: Flight and Hotel Search Engine

Test ID	Test Scenario	Step-by-Step Instructions	Expected Result	Status
TRV-01	Flight Search	1. Select 'One-Way'. 2. Enter Source (Bhopal) and Destination (Delhi). 3. Select Date. 4. Click 'Search'.	A list of available flights for that date is displayed.	Pass
TRV-02	Seat Selection	1. Select a Flight. 2. Pick an available seat from the map. 3. Click 'Confirm'.	Selected seat is locked and price is updated.	Pass
TRV-03	Hotel Filter	1. Search for Hotels. 2. Apply '5 Star' filter.	Only hotels with 5-star ratings are visible.	Pass
TRV-04	Past Date Search	1. Select a date from last month. 2. Click 'Search'.	System displays error: "Dates cannot be in the past".	Pass
